SETTLEMENT AGREEMENT

This Settlement Agreement is made and entered into as of the 4th day of October, 2016, SSAB Swedish Steel Corporation (“SSAB” or “Settling Defendant”) and Standard Iron Works, Wilmington Steel Processing Co., Inc., Capow, Inc. d/b/a Eastern States Steel, Alco Industries, Inc., and Gulf Stream Builders Supply, Inc., in their individual capacities and in their capacity as representatives of a proposed Settlement Class, as defined herein (“Plaintiffs”) (collectively referred to as “the Parties”):

WHEREAS, there is pending in the United States District Court for the Northern District of Illinois, Eastern Division, a Class Action Complaint for Damages captioned *Standard Iron*

Works v. ArcelorMittal, et al., Case No. 08-C-5214, that was filed on September 12, 2008 (“Complaint”) and consolidated with several related cases,¹ in which Plaintiffs allege, among other things, that defendants unlawfully agreed to restrict the output of steel products in the United States, in violation of the Sherman Act, 15 U.S.C. § 1 et seq. (the “Action”);

WHEREAS, Settling Defendant denies any and all wrongdoing in connection with the claims that have or could have been alleged against it in the Action and has asserted a number of defenses to Plaintiffs’ claims;

WHEREAS, Settling Defendant, through its counsel, and Plaintiffs, through their counsel, have engaged in vigorous, arms-length negotiations that led to this Settlement Agreement, which embodies all of the terms and conditions of the settlement among the Parties, subject to approval of this Settlement Agreement by the Court;

WHEREAS, Plaintiffs are represented in the Action by Kellogg, Huber, Hansen, Todd, Evans & Figel, P.L.L.C., and Fine, Kaplan and Black, R.P.C. (collectively, “Co-Lead Class Counsel”), along with other counsel (collectively with Co-Lead Class Counsel, “Plaintiffs’ Counsel”), and Settling Defendant is represented in the Action by Sidley Austin LLP (“Defendant’s Counsel”);

WHEREAS, Plaintiffs’ Counsel have concluded, despite their belief after extensive discovery and investigation of the facts that their claims have merit, after carefully considering the circumstances of the case, including the claims asserted in the Complaint and the possible legal and factual defenses thereto, that it would be in the best interests of the Settlement Class to

¹ Putative class representatives filed seven direct purchaser class actions in this Court, which have been consolidated in this action: *Standard Iron Works v. ArcelorMittal et al.*, No. 08 C 5214; *Wilmington Steel Processing Co., Inc. v. ArcelorMittal et al.*, No. 08 C 5371; *Capow, Inc. v. ArcelorMittal et al.*, No. 08 C 5633; *MPM Display, Inc. v. enter into this Settlement Agreement in order to avoid the uncertainties of litigation and assure that the benefits reflected herein are obtained for the Settlement Class and, further, that Plaintiffs' Counsel consider the settlement set forth herein to be fair, reasonable and adequate and in the best interests of the Plaintiffs and all members of the Settlement Class;

WHEREAS, Settling Defendant, despite its belief, after extensive discovery and investigation of the facts, that the claims lack merit and that full and complete defenses apply to the claims asserted against them, has agreed to enter into this Settlement Agreement to avoid further expense, inconvenience, and distraction of burdensome and protracted litigation, and to thereby put to rest with finality this controversy with Plaintiffs and the Settlement Class;

WHEREAS, Settling Defendant and Plaintiffs have had a full opportunity to examine the facts and circumstances surrounding their respective decisions to accept the terms of the Settlement Agreement and have not relied on any representations (or the lack thereof) made by any other party concerning the circumstances leading to this Settlement Agreement;

NOW, THEREFORE, it is agreed between Settling Defendant and Plaintiffs, and by and through Plaintiffs' Counsel and Defendant's Counsel, in consideration for the mutual covenants contained in this Settlement Agreement and other good and valuable consideration the adequacy of which is hereby acknowledged, that the Action against Settling Defendant be settled, compromised and dismissed on the merits and with prejudice and, except as hereafter provided, without costs, expenses or fees as to Plaintiffs or Settling Defendant, subject to the approval of the Court, on the following terms and conditions:

1. Settlement Class. The proposed Settlement Class shall consist of:

All persons (excluding Defendants, their present and former parents, subsidiaries, affiliates, joint ventures, co-conspirators and government entities) who Purchased Steel Products directly from any of the defendants in *Standard Iron Works v. ArcelorMittal et*

al., Case No. 08-C-5214, or their subsidiaries or controlled affiliates at any time between April 1, 2005 and December 31, 2007 (“the Settlement Class Period”) for delivery in the United States.

For purposes of the class definition, the terms “Steel Products” and “Purchased” are more specifically defined as follows:

“Steel Products” are defined as products derived from raw carbon steel and sold directly by any of the Defendants or their subsidiaries or controlled affiliates in the United States, including all carbon steel slabs, plates, sheet and coil products, galvanized and other coated sheet products; billets, blooms, rebar, merchant bar, beams and other structural shapes; and all other steel products derived from raw carbon steel and sold by Defendants except as specifically excluded below.

“Steel Products” specifically exclude the following product categories: stainless steel; grain-oriented electrical steel; tin mill products; clad plate (i.e., nickel, stainless or copper clad plate); steel pipe and other tubular products; “special bar quality” products; wire rod and other wire products; grinding balls; fabricated rebar products; fabricated steel joist, decking, fence posts and other fabricated building products; welded steel blanks; and steel products purchased under toll processing agreements.

The term “Purchased” includes all transactions for which pricing was negotiated during the class period and delivery was received during the class period. The class definition also includes transactions for which a sales contract was negotiated before the class period but (i) delivery was received during the class period and (ii) the actual transaction price under the contract was adjusted (or indexed) based on market pricing that prevailed during the class period.

2. Reasonable Best Efforts to Effectuate This Settlement Agreement. The

Parties shall undertake their reasonable best efforts, including all steps and efforts contemplated by this Settlement Agreement and any other steps and efforts that may be necessary or appropriate, by order of the Court or otherwise, to carry out the terms of this Settlement Agreement.

3. Motion for Preliminary Approval. As soon as practicable following the execution of this Settlement Agreement, Plaintiffs' Counsel shall submit to the Court a motion, which shall not be opposed by Settling Defendant, seeking entry of an order ("Preliminary Approval Order") preliminarily approving the Settlement Agreement, certifying the Settlement Class solely for the purposes of this Settlement Agreement, approving the Notice and Notice Plan, and suspending all deadlines until the Court renders a final decision concerning the approval of the Settlement Agreement, and if it approves the Settlement Agreement, enters the final judgment.

4. Notice to Settlement Class. Upon entry of the Preliminary Approval Order, Plaintiffs' Counsel shall, in accordance with the Preliminary Approval Order, provide notice of the proposed settlement to members of the Settlement Class. Prior to submission of the proposed Notice and Notice Plan to the Court, Plaintiffs' Counsel will provide a draft Notice and Notice Plan to Settling Defendant for its comments and approval. Plaintiffs' Counsel will, in good faith, consider Settling Defendant's comments, and Settling Defendant reserves the right to call to the Court's attention any deficiencies it believes exist in the Notice or Notice Plan. The Notice and Notice Plan will be reasonably calculated to apprise members of the Settlement Class of the pendency of the Action, the Settlement Agreement, and their opportunity to be heard in connection therewith. The Notice Plan will provide that Notice will be given (i) by direct mail to members of the Settlement Class who can be identified through reasonable efforts, and if necessary (ii) by publication to all members of the Settlement Class in selected media.

5. Rights of Exclusion and Opt Out Termination Option. Members of the Settlement Class shall have the right to exclude themselves from the Settlement Class pursuant to the procedure set forth in the Notice and by the date set therein (the "Opt Out Deadline"). Settling

Defendant shall not, directly or indirectly, solicit or encourage any class member to opt out. Should Settling Defendant receive any inquiries from members of the Settlement Class regarding opting out, Settling Defendant shall refer such members of the Settlement Class to Co-Lead Class Counsel. Each member of the Settlement Class that does not file a timely written request for exclusion in accordance with the procedures set forth in the Notice, or that files such a request and rescinds it, shall be bound by all of the terms of this Settlement Agreement, including the Release defined in Paragraph 13. Within ten (10) banking days of the conclusion of the period in which the members of the Settlement Class may file a written request for exclusion, Co-Lead Class Counsel shall deliver to Defendant's Counsel (a) all such requests received from parties otherwise eligible to be members of the Settlement Class and who have not rescinded such requests (collectively, the "Opt Out Members"), (b) the total dollar amount of each of the Opt Out Members' direct purchases of steel products from Defendants for delivery in the United States during the Settlement Class Period (collectively, "Opt Out Sales"), as reported in the backup materials produced with the Rebuttal Expert Report of James T. McClave, McClave, and (c) a calculation of the "Opt Out Percentage," defined as the Opt Out Sales divided by the "total Class Sales" figure reported in Exhibit 1 to the Rebuttal Expert Report of James T. McClave (expressed as a percentage). The "Post Opt Out Settlement Amount Determination Date" shall mean the date on which the Opt Out Sales, and the Opt Out Percentage are conveyed to Settling Defendant. If the Opt Out Percentage is greater than twenty (20) percent, then Settling Defendant shall have the option to terminate this Agreement according to the terms of Paragraphs 15 and 16. To exercise its termination option, the Settling Defendant must send written notice of termination to Co-Lead Class Counsel within ten (10) banking days of the Post Opt Out Settlement Amount Determination Date. Alternatively, if the

Opt Out Percentage is greater than twenty (20) percent, the Parties may agree that, in lieu of Settling Defendant exercising its option to terminate this Agreement, the Settlement Amount can be reduced by an amount equal to the Settlement Amount times the difference between the Opt Out Percentage and twenty (20) percent, and an amount of money equal to the Settlement Amount times the difference between the Opt Out Percentage and twenty (20) percent shall be returned to Settling Defendant by the Settlement Administrator. Members of the Settlement Class also shall have the right to object to the fairness, reasonableness or adequacy of the Settlement or any part thereof, in accordance with the terms and conditions set forth in the Notice and the Preliminary Approval Order.

6. Motion for Final Approval and Entry of Final Judgment. At a final fairness hearing, Plaintiffs' Counsel shall seek entry of an order and final judgment (the "Final Order and Judgment") finally approving the Settlement. Plaintiffs' Counsel may, at their sole discretion, also request from the Court an award of attorneys' fees and/or reimbursement of litigation costs and expenses, and/or incentive awards for the class representatives ("Incentive Awards"), to be paid out of the Settlement Fund. Settling Defendant will not oppose Plaintiffs' request for final approval of the Settlement; Settling Defendant will not oppose Plaintiffs' Counsel's request for an award of attorneys' fees and/or reimbursement of litigation expenses; and Settling Defendant will not oppose Plaintiffs' Counsel's request for incentive awards for the class representatives.

7. Finality. This Settlement Agreement shall become Final upon the occurrence of all of the following:

- a. Entry, as provided in Paragraph 6 above, is made of the Final Order and Judgment; and
- b. The time for appeal or to seek permission to appeal from the Final Order and Judgment expires, or if appealed, either (i) such appeal is dismissed with prejudice prior to resolution by

the applicable court; (ii) the Final Order and Judgment is affirmed in its entirety by the court of last resort to which such appeal may be, and is, taken; or (iii) the Final Order and Judgment is modified and finally entered and neither Settling Defendant nor Plaintiffs elect to terminate the Settlement Agreement pursuant to Paragraph 15 below.

8. Settlement Administrator. Pursuant to the Preliminary Approval Order, Plaintiffs' Counsel shall engage a qualified settlement administrator (the "Settlement Administrator") to assist with the settlement claims process, if any, and perform certain ministerial functions concerning the Escrow Account as set forth in Paragraph 10. All Court approved costs and expenses reasonably and actually incurred by the Settlement Administrator in connection with providing notice to the Settlement Class, communicating with members of the Settlement Class, and, if applicable, administering and distributing the Settlement Fund ("Notice and Administration Costs") shall be paid solely from the Settlement Fund, in accordance with Paragraph 11(b). Notice and Administration Costs shall not include any amounts attributable to the Expense Amount as defined in Paragraph 11(c).

9. The Settlement Fund. Subject to the provisions hereof, and in full, complete, and final settlement of this matter as provided herein, within ten (10) business days after entry of the Preliminary Approval Order, Settling Defendant shall pay by wire transfer two million U.S. dollars (\$2,000,000) (the "Settlement Amount") into an escrow account ("Escrow Account") established and administered pursuant to an escrow agreement agreeable to the Parties ("Escrow Agreement"). Settling Defendant shall have no payment obligation after the payment of the Settlement Amount. The Escrow Account shall be administered by an escrow agent mutually satisfactory to Settling Defendant and Co-Lead Class Counsel (the "Escrow Agent"). In accordance with the Escrow Agreement, the Escrow Agent shall be instructed to invest the

Settlement Amount in United States Treasury Bills, United States Treasury Notes, or other instruments insured or guaranteed by the full faith and credit of the United States, and any interest earned on the Settlement Amount (together with the Settlement Amount) shall become part of the “Settlement Fund.” The Attorneys’ Fees, Expense Amount, Incentive Awards, Notice and Administration Costs, Tax Expenses and any other costs of implementing the Settlement Agreement as the Court may determine shall be paid solely from the Settlement Fund. The Settlement Fund shall be paid and distributed in accordance with orders of the Court, this Settlement Agreement and the Escrow Agreement. Settling Defendant shall take no position, and shall have no obligation, responsibility or liability with respect to the management, allocation, administration or distribution of the Settlement Fund.

10. Escrow Account.

a. The Parties agree to treat the Escrow Account and the Settlement Fund at all times as a single “qualified settlement fund” within the meaning of Treas. Reg. Section 1.468B-1. All necessary steps shall be taken to ensure that the Escrow Account and Settlement Fund are treated as a “qualified settlement fund” in accordance with Treasury Regulation 1.468B-1. The Parties and their respective agents shall not take any action that would adversely affect the qualification of the Escrow Account and the Settlement Fund as a qualified settlement fund or would cause the Escrow Account and the Settlement Fund to be treated as a grantor trust for tax purposes. At the request of Settling Defendant, a “relation back election” as described in Treas. Reg. §1.468B-1(j) shall be made so as to enable the Settlement Fund to be treated as a qualified settlement fund from the earliest date possible and all parties shall take all steps necessary or appropriate to this end.

b. For the purposes of Section 468B of the Internal Revenue Code of 1986, and Treas. Reg. Section 1.468B-2(k)(3), the “administrator” shall be the Settlement Administrator. The Parties agree that the Settlement Administrator shall be engaged to timely and properly file all informational and other tax returns necessary or advisable with respect to the Escrow Account (including without limitation the returns described in Treas. Reg. Section 1.468B-2(k)(1) and Treas. Reg. Section 1.468B2(l)). Such returns shall be consistent with this subparagraph (b) and in all events shall reflect that all taxes (including any estimated taxes, interest or penalties) on the income earned by the Escrow Account shall be paid out of the Escrow Account as provided in subparagraph (c) herein.

c. All taxes (including any estimated taxes, interest or penalties) arising with respect to the income earned on the Settlement Fund by the Escrow Account (“Taxes”) shall be paid out of the Escrow Account upon joint written instructions from Co-Lead Class Counsel and Defendant’s Counsel, in accordance with Paragraph 11(a). All expenses and costs incurred by the Settlement Administrator in connection with the operation and implementation of this paragraph (including, without limitation, reasonable expenses of tax attorneys and/or accountants and mailing and distribution costs, expenses or penalties relating to filing (or failing to file) the returns described in this paragraph) (“Tax Expenses”) shall be treated as, and considered to be, an Administration Cost of the settlement and shall be paid upon Court order in accordance with Paragraph 11(b). The Settlement Administrator shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution any funds necessary to pay Taxes and Tax Expenses.

11. Distribution of the Settlement Fund. The Parties agree that the Settlement Fund shall be paid out as follows:

- a. Taxes shall be paid in accordance with Paragraph 10 above.
- b. After entry of an order approving such distribution, the Settlement Administrator shall be paid Notice and Administration Costs and Tax Expenses.
- c. After entry of an order awarding attorneys' fees to Plaintiffs' Counsel ("Attorneys' Fees") and/or reimbursement of litigation expenses, e.g., expert fees, hearing and deposition expenses, e-discovery expenses, travel expenses, etc., to Plaintiffs' Counsel (the "Expense Amount"), and within five (5) banking days following written certification by Co-Lead Class Counsel and counsel for Settling Defendant that the Effective Date (as defined in Paragraph 12 below) has occurred, the Attorneys' Fees and/or Expense Amount may be paid in accordance with the written instructions of Co-Lead Class Counsel; provided, however, that any Plaintiffs' Counsel seeking to draw down their share of the Attorneys' Fees or Expense Amount prior to the Settlement Agreement becoming Final shall submit to the Settlement Administrator a Letter of Credit or Letters of Credit on terms and issued by banks acceptable to Settling Defendant securing repayment in the amount of the draw down.
- d. After entry of an order awarding Attorneys' Fees and/or an Expense Amount, and within five (5) banking days after receipt of written notification by Co-Lead Class Counsel and Defendant's Counsel that the Settlement Agreement has become Final (as defined in Paragraph 7 above), any then-unpaid portion of the Attorneys' Fees and/or Expense Amount, e.g., any portion in excess of the amounts drawn down in accordance with subparagraph (c) above, shall be paid in accordance with the written instructions of Co-Lead Class Counsel.
- e. After entry of an order awarding Incentive Awards, and within five (5) banking days after receipt of written notification by Co-Lead Class Counsel and Defendant's Counsel that the

Settlement Agreement has become Final (as defined in Paragraph 7 above), any Incentive Awards shall be paid in accordance with the written instructions of Co-Lead Class Counsel.

f. Within five (5) banking days following written certification by Co-Lead Class Counsel and counsel for Settling Defendant that the Effective Date will not occur, and in accordance with written instructions of Settling Defendant, that portion of the Settlement Fund, including accrued interest thereon, that remains after an allowance for any unpaid Notice and Administration Costs and Tax Expenses shall be paid to Settling Defendant.

g. If funds remain in the Settlement Fund after payment of the amounts set forth in subparagraphs (a)-(e) above, then (i) after written certification by counsel for Settling Defendant and Co-Lead Class Counsel that the Settlement Agreement is Final pursuant to Paragraph 7 hereof, and (ii) after receipt of an order of the Court approving distribution of the Settlement Fund to the Settlement Class, the remaining Settlement Funds shall be distributed as ordered by the Court; provided, however, that any amounts in the Escrow Account necessary for Taxes or Tax Expenses shall remain in the Escrow Account.

h. Each member of the Settlement Class shall look solely to the Settlement Amount for settlement and satisfaction, as provided herein, of all claims released by the Releasors (as defined below). Other than payment of the Settlement Amount, Settling Defendant shall not be liable for any fees or expenses of Plaintiffs' Counsel, Plaintiffs, or any member of the Settlement Class in connection with the Action or any Released Claims (as defined below). Plaintiffs' Counsel agree that they will not seek any additional fees or expenses from Settling Defendant in connection with the Action and the Settlement Agreement, set forth herein.

i. In the event that the Final Order and Judgment is reversed on appeal, in whole or in part, and the Settlement Agreement is terminated pursuant to Paragraph 15 below, then (i)

Plaintiffs' Counsel shall reimburse the Settlement Fund within ten (10) days of all or the pertinent portion of any draw down of Attorneys' Fees or Expense Amounts, described above in subparagraph (c) with interest, calculated at the rate of interest published in the *Wall Street Journal* for three-month U.S. Treasury Bills as of the close of the date that the draw-down was distributed, and (ii) within five (5) banking days thereafter, upon receipt of written certification by Co-Lead Class Counsel and counsel for Settling Defendant that the Settlement Agreement has terminated, and in accordance with written instructions of counsel for Settling Defendant, that portion of the Settlement Fund, including any interest thereon, that remains after an allowance for any unpaid Notice and Administration Costs and Tax Expenses shall be distributed to Settling Defendant. The Settlement Administrator may present the Letter(s) of Credit in the event Plaintiffs' Counsel fails to honor the obligation to repay the amount withdrawn.

j. In the event that the Settlement Agreement is not terminated but the Court's order awarding the Attorneys' Fees or Expense Amount is vacated, in whole or in part, then by a date no later than ten (10) days after finality of such an order (including any appeals or proceedings on remand), Plaintiffs' Counsel, and each of them, shall be obligated to return, and do hereby agree that they shall return to the Settlement Fund, any vacated portion of the Attorneys' Fees and/or Expense Amount that has been distributed to them. The Settlement Administrator may present the Letter(s) of Credit in the event Plaintiffs' Counsel fails to honor the obligation to repay the amount withdrawn.

12. Effective Date of Settlement Agreement. The Effective Date of this Settlement Agreement shall be the first day after which all of the following events and conditions of this Settlement Agreement have been met or have occurred:

- a. Counsel for Settling Defendant and Co-Lead Class Counsel have executed this Settlement Agreement;
- b. The Preliminary Approval Order has been entered;
- c. The deadline for members of the Settlement Class to request exclusion from the Settlement has passed; and
- d. The Court has entered the Final Order and Judgment approving the Settlement.

13. Releases.

a. Upon the Effective Date, all members of the Settlement Class, on behalf of themselves and their respective past, present, direct and indirect parents, subsidiaries, affiliates, predecessors and successors, and the past and present officers, directors, employees, agents, insurers, attorneys, shareholders, joint ventures, partners, and representatives, as well as the predecessors, successors, heirs, executors, administrators, and assigns of each of the foregoing (“Releasers”) shall be deemed to have, and by operation of the Final Order and Judgment, shall have, fully, finally, and forever released and discharged Settling Defendant, its past and present, direct and indirect parents, subsidiaries, affiliates, predecessors and successors, and the past and present officers, directors, employees, agents, insurers, attorneys, shareholders, joint ventures, partners, and representatives, as well as the predecessors, successors, heirs, executors, administrators, and assigns of each of the foregoing (“Released Parties”) from all claims, actions, causes of action, lawsuits, damages, liabilities, costs, expenses, whether class or individual in nature, whether known or unknown, foreseen or unforeseen, existing in the past, existing in the present or arising in the future, that were or could have been alleged in this Action (“Released Claims”). Each Releaser hereby covenants and agrees that it shall not, hereafter, seek to establish liability against any Released Party based in whole or in part on any Released Claims.

b. In addition, each Releasor hereby expressly waives and releases, upon this Settlement Agreement becoming final, any and all provisions, rights, or benefits conferred by section 1542 of the California Civil Code, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor;

and any law of any state or territory of the United States, or principle of common law, which is similar, comparable or equivalent to section 1542 of the California Civil Code. Each member of the Settlement Class may hereafter discover facts other than or different from those which he, she or it knows or believes to be true with respect to the Released Claims. Nevertheless, each member of the Settlement Class hereby expressly waives and fully, finally and forever settles and releases, upon this Settlement Agreement becoming final, the Released Claims, whether any Released Claim is known or unknown, suspected or unsuspected, contingent or non-contingent, concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts. Each Releasor further forever waives and relinquishes any and all rights and benefits existing under any law or principle of law in any jurisdiction that would limit or restrict the effect or scope of the provisions of the release set forth above without regard to the subsequent discovery or existence of other or different facts.

c. The Releases set forth herein shall not release any claims, whether pending or not, whether known or unknown, for product liability, personal injury, breach of warranty, or breach of contract, nor shall they release claims under the Uniform Commercial Code or any other claims whatsoever that are not related to the subject matter of the Complaint.

14. Reservation of Claims. This Settlement Agreement does not settle or compromise any claims by Plaintiffs or any member of the Settlement Class against any party other than the

Released Parties. The members of the Settlement Class intend by this Settlement Agreement to settle with and release only the Released Parties, and the Parties do not intend this Settlement Agreement, or any part hereof, to release or otherwise affect in any way any rights members of the Settlement Class have or may have against any other party or entity whatsoever, including but not limited to the other defendants and settling defendants in this action and their past and present, direct or indirect parents, subsidiaries, affiliates, predecessors or successors. All rights of any member of the Settlement Class against other defendants in this action or any other person or entity (other than the Released Parties) for sales made by Settling Defendant are specifically reserved by Plaintiffs and the members of the Settlement Class. Sales of Steel Products by the Settling Defendant in the United States shall remain the subject of damages and/or joint and several liability claims in the Action against defendants other than Settling Defendant and/or against any future defendants other than the Released Parties.

15. Rights to Terminate Settlement. If the Court does not finally approve this Settlement Agreement in its entirety, or if such approval is materially modified or set aside on appeal, or if the Court does not enter the Final Order and Judgment substantially in the form presented to it, or if the Court enters the Final Order and Judgment and appellate review is sought and, on such review, such Final Order and Judgment is not affirmed or is affirmed with material modifications, then this Settlement Agreement may be terminated upon the election of Settling Defendant or Plaintiffs' Counsel. A modification or reversal on appeal of (i) any amount of Attorneys' Fees, Expense Amount or Incentive Awards awarded by the Court from the Settlement Fund, or (ii) a proposed plan of distribution, shall not be deemed a material modification of all or a part of the terms of this Settlement Agreement or Final Order and shall

not give rise to any right of termination. Except as provided in this paragraph and in Paragraph 5, no party or counsel shall have any other right to terminate this Settlement Agreement.

16. Effect of Termination. If this Settlement Agreement is terminated pursuant to Paragraph 15, then (a) any Attorneys' Fees or Expense Amounts paid to Plaintiffs' Counsel shall be paid to the Settlement Fund in accordance with Paragraph 11(h); (b) the Settlement Fund, net of (i) Tax Expenses, and (ii) Notice and Administration Costs, shall be returned to the Settling Defendant; (c) the Settlement Agreement shall be of no force or effect, except for payment of Tax Expenses and Notice and Administration Costs from the Settlement Fund; (d) any Release pursuant to Paragraph 13 shall be of no force or effect; and (e) the Parties will return to litigation of this Action as if the Settlement Agreement had never happened, with all Parties bound by all Orders of the Court regardless of the date of entry. The Parties otherwise expressly reserve all of their rights if this Settlement Agreement is terminated or does not become final.

17. No Admission; Reservation of Rights. Neither this Settlement Agreement, whether it becomes final or not, nor any negotiations, documents, or discussions associated with it, nor any proceedings undertaken in accordance with the terms set forth herein, shall be construed as or deemed to be evidence of or an admission or concession by Settling Defendant in any action or proceeding of any kind whatsoever, civil, criminal, or otherwise, before any court, administrative agency, regulatory body, or any other body or authority, present or future, of any violation of any statute or law, of any liability or wrongdoing by Settling Defendant, or of the truth or validity of any of the claims or allegations contained in the Complaint or any other pleading that Plaintiffs or the Settlement Class have or could have asserted against Settling Defendant including, without limitation, that Settling Defendant has engaged in any conduct or

practice that violates any antitrust statute, or other law, regulation or obligation. Settling Defendant expressly denies any liability whatsoever for any and all such claims and allegations.

18. Cooperation. In the event this Settlement Agreement becomes Final, but the contemporaneously negotiated settlement agreements with one or both of Defendants Nucor and Steel Dynamics do not become final, such that the Action continues against one or both of Defendants Nucor and/or Steel Dynamics, Settling Defendant shall provide cooperation to Plaintiffs in the form of additional document productions, witness interviews, depositions, and authentication/qualification of business records. The Parties agree to negotiate over the scope of such cooperation in good faith at the appropriate time, with Settling Defendant's cooperation limited to that which is reasonably necessary to prepare Plaintiffs' case for trial against any remaining defendants.

19. Confidentiality. All orders entered during the course of the Action relating to the confidentiality of information shall survive this Settlement Agreement.

20. Consent to Jurisdiction. Settling Defendant, Plaintiffs, Defendant's Counsel, Plaintiffs' Counsel and the Settlement Class hereby submit to the exclusive jurisdiction of the Court for the purpose of any suit, action, proceeding, or dispute seeking enforcement of this Settlement Agreement or any of the terms herein or the applicability of this Settlement Agreement or the Escrow Account.

21. Resolution of Disputes: Retention of Jurisdiction. Any disputes between or among Settling Defendant, Plaintiffs, Plaintiffs' Counsel, Defendant's Counsel and any member of the Settlement Class concerning matters contained in this Settlement Agreement, the Escrow Account and all related agreements and matters shall, if they cannot be resolved by

negotiation and agreement, be submitted to the Court. The Court shall retain jurisdiction over the implementation and enforcement of this Settlement Agreement, the Escrow Account and all related agreements and matters.

22. Authorization to Enter Settlement Agreement. The undersigned representatives of Settling Defendant represent that they are fully authorized to enter into and to execute this Settlement Agreement on behalf of Settling Defendant. The undersigned representatives of Plaintiffs represent that they are fully authorized to enter into and to execute this Settlement Agreement on behalf of Plaintiffs and the Settlement Class, subject to Court approval.

23. No Party Is the Drafter. None of the parties hereto shall be considered to be the drafter of this Settlement Agreement or any provision hereof for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter hereof.

24. Choice of Law. All terms of this Settlement Agreement shall be governed by and interpreted according to the substantive laws of the State of Illinois without regard to its choice-of-law or conflict-of-laws principles.

25. Amendment; Waiver. This Settlement Agreement shall not be modified in any respect except by a writing executed by all the Parties hereto, and the waiver of any rights conferred hereunder shall be effective only if made by written instrument of the waiving party. The waiver by any party of any breach of this Settlement Agreement shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of this Settlement Agreement.

26. Execution in Counterparts. This Settlement Agreement may be executed in counterparts. Facsimile or .pdf signatures shall be considered as valid signatures as of the date

thereof.

27. Integrated Agreement. This Settlement Agreement comprises the entire, complete, and integrated statement of each and every term and provision agreed to by and between the Parties.

28. Construction. This Settlement Agreement shall be construed and interpreted to effectuate the intent of the parties, which is to provide, through this Settlement Agreement, for a complete resolution of the Released Claims with respect to the Released Parties.

IN WITNESS WHEREOF, the parties hereto, through their fully authorized representatives, have executed this Settlement Agreement as of the date last executed.
